

# IRDHT PLUS

*Infra Red Drying High Temperature system for spray booths*

**The bodyshop solution to improve your productivity, reduce your energy consumption, reduce your carbon footprint - and ultimately increase your profits!**

Are you:

- Experiencing difficulty drying water based paint?
- Wanting to cure paint properly with out air blowers or moving equipment?
- Paying expensive gas or fuel oil bills?
- Looking to replace your booths or heating system?
- Wanting to vastly reduce your energy bills?
- Looking to reduce cycle time by up to 35%?
- Wanting to improve quality?
- Wanting an interest free loan from the Carbon Trust to finance the capital investment?

The CADIF IRDHT system is your answer!

**For a demonstration call Les Morton on 07831 578677 NOW!**
